SUBJECT: Appreciation for Support to DDS&T  
Career Development Course #8

1. The S&T Career Development Course #8 has gotten off the ground in fine fashion, due in large part to you gentlemen. Your overview presentations, while differing in style and content, have been uniformly praised, and the students are looking forward to detailed discussions with your personnel.

2. As I get to know the students and observe them, I find too that you have made good selections. They are an eager, inquiring group of young officers who are taking advantage of the opportunities being offered them.

3. Thank you for your support of the course.
